LOW-INCOME HOUSING TAX CREDIT PROPERTIES

Revised Date: 5/24/19

The Low-Income Housing Tax Credit (LIHTC) is the most important resource for creating affordable housing in the United States today. The LIHTC database, created by HUD and available to the public since 1997, contains information on 47,511 projects and 3.13 million housing units placed in service between 1987 and 2017.

The LIHTC agency in the state of Oregon is the Oregon Housing and Community Services (OHCS). Provided in this document are properties offering affordable housing in the state of Oregon. Not all properties are identified so the list will be updated as missing information is found. The HUD database includes much more information. You may access the entire database at <https://lihtc.huduser.gov/> or connect with OHCS online at <https://www.oregon.gov/ohcs/Pages/index.aspx>.

The OHCS website has a fresh new look. You can call the office by phone at (503) 986-2000 or email them at hcs_housinginfo@oregon.gov.
